

Materials for Winslow Art Center
Debora Stewart

The following are the minimum suggested materials for soft pastel artists.

Newsprint pad

Compressed charcoal

Rives BFK paper (175 gsm or 250). For a workshop you may need 5 full sheets? You may also use another good mixed media paper or board .

Masking tape or artist tape

Backing board

Hair dryer

Liquitex clear gesso (only Liquitex)

Fluid acrylics (red, yellow and blue basic)

A few hard pastels like Prismacolor

A good selection of artist quality soft pastels (not hobby/craft store pastels). You will also need some neutrals like grays and browns

Soft 4 inch nylon brush

Cheap bristle brush from a hardware store
