SUPPLY LIST

- A good collection of different brands will help you learn how each can be used properly. Some brands I recommend are Terry Ludwig, Diane Townsend, Unison, Rembrandt, and Sennelier. More than one brand, and one of the brands above is helpful.
- Sennelier La Carte paper Full sheets come 19x25. You can cut it smaller, but the pads are a little challenging to get the paper out of the waxed pad. Please be sure to have at least 10-15 12x16 (about) pieces available. It comes in a variety of colors. Please stick to mid tone and dark.
- China Marker Pencil (Wax based not charcoal)
- Baby wipes for your hands!
- Photo references printed out (make sure these are from YOUR OWN photographic references). DO NOT bring national geographic photos or screensaver photos please.
