### **Materials List – November 2021**

These are the materials I typically use. You don't need to purchase all of them. Use what you have and use this as a guide if you want to try something new.

#### **STILL LIFE SETUP**

This can be anything you choose, but keep in mind you may be painting from the same setup for both classes. If you want to paint flowers, choose flowers that are readily available so you can freshen your arrangement if needed. I replace flowers in a setup all the time.

#### **MEDIUM**

I am currently using refined linseed oil sparingly. I sometimes use Liquin or Gamblin's Solvent Free Gel medium.

#### **THINNER**

Odorless mineral spirits (such as Gamsol)

#### **BRUSHES/KNIVES**

I use a range of different brushes, most of them bristle brushes. I tend towards larger sizes in flats and brights. It's best to have a range from small to large and in different shapes. I like large brushes that are 1-inch wide or larger (I use a flat Blick Mega brush). I also like Blick Scholastic Wonder White brushes.

## **PALETTE/PAINTING KNIVES**

RGM Palette knife no. 80. You can use any painting or palette knife you like. I recommend a steel palette knife, 3" trowel with a deep bend in the handle.

## **PALETTE**

12x16 gray palette. This can be gray-toned wood, glass or disposable gray palette.

## **SUPPORTS/CANVAS**

I typically like to paint on a rigid, non-absorbent support.

## **Portable Easel**

I have a variety of easels that I use, depending on the circumstances. I currently use a tripod-based setup using a Leder Easel.

## **Drawing Materials**

Some form of drawing materials – just a sketchpad and a soft pencil will do. I typically use Nitram charcoal and a soft Blackwing Matte graphite pencil. The drawing we may do is in preparation for painting, so nothing elaborate is needed.

## **MISCELLANEOUS**

- Rags or paper towels
