Landscape Workshop Supply List

The following are supplies I recommend. Feel free to substitute brands.

OIL PAINTS
I use mostly M. Graham, Gamblin or Vasari. Vasari colors are more expensive and are only available to purchase directly from their site (www.vasaricolors.com). Gamblin and M. Graham are readily available and a bit more affordable. Please feel free to use a brand of your choice, just be sure it is professional grade, not student. I've indicated colors that work best in a specific brand.
